

The taste of Nepal

via Bordeaux, Tuscany, Napa
& the Maipo Valley, Chile.

At the Santa Rita Wine Room at Monty's of Temple Bar you can taste the amazing wines of the most renowned wine producing regions of the world - paired with the light, delicious flavours of Nepalese cuisine.

And despite what you might think, they pair amazingly well. Particularly so as proprietor Shiva Gautam has prepared a dedicated NEPAS menu - Nepas are Tapas but with a Nepalese twist.

Discover how sophisticated red Burgundy blends beautifully with lightly spiced prawns. Or how sumptuous Cabernets from Napa and Chile match

perfectly with the aroma and taste of medium spiced minced lamb.

Find out first hand how the delicate flavours of the best old world Burgundy reds compare to the equally delicious but bigger new world Pinots from Chile. You can tell the difference. But which will you prefer?

At Monty's of Temple Bar, Shiva has put together one of the most interesting and varied wine lists you will find in any restaurant in Ireland. It is long, varied and covers

every budget. From delicious everyday quaffers to iconic wines from around the world that will impress the best.

Shiva's love of wine has taken him to many of the regions from where he sources his wines. And you can tell - his knowledge is both interesting and personal.

At the Table in the Wine Room, Shiva can take you on a wine voyage of discovery. It is interesting, informative and fun. But above all, the wines and the food are just delicious. And you will go back.

In 2016 Monty's won the 'Best Wine List' award from the Good Eating Guide to Ireland. And after one visit you'll understand why.

And the Santa Rita Wine Room at Monty's will appeal to many.

Serious wine lovers will be enthralled at the depth and diversity of the cellar that Shiva has established.

For work colleagues, a visit to the Wine Room offers a very different experience to a regular meal out or team building experience.

And for foodies, the Wine Room represents an innovative experience where, using the Coravin tasting system you can sample some of the world's iconic wines with Nepas at a fraction of the normal cost. But above all, for everyone, the design of the room puts you at the heart of the wine list and encourages curiosity and discussion.

You can purchase a special bottle of wine and using our Coravin system you can sample as little or as much as you like. We will safely and securely store the remainder of your bottle until your next visit.
